Briar Woods High School Band Mattress, Pillow, Sheet Fundraiser

**Saturday, September 23, 2017
10am to 5pm**

Briar Woods High School is pleased to host a fundraising event that has raised
Thousands of Dollars for Schools in our area.

Our nationally recognized partner, Spirit Fundraising Events, handles all sales, collection of money and distribution of product. This is a very easy fundraiser. All we need to do to be successful is to
GET THE WORD OUT!

Our Contribution:

- We need each student and/or family to help find 2 to 3 people to come check out the sale. 1 in 10 people buy a new mattress every year. If everyone talks to at least 10 people, chances are you will find at least 1 person who needs a mattress. If they don't need a mattress, tell them to come check out the incredible pillows and sheets.
- We need each student to distribute flyers. Each flyer has a spot for the students' name and a coupon. An electronic copy will also be provided for Facebook, Twitter, Instagram, Email etc.
- We need the students to come to the school during the sale at their scheduled time to help promote the event. A sign-up sheet will be posted. We are counting on everyone to sign up.

- 25 models to try out at the school
- Pillow Top, Firm, Gel Memory Foam, Latex & Hybrids
- Mattress set prices range from \$199 to \$3,900
- Brand new with factory warranties
- Accepting credit cards, cash & checks
- Delivery and pickup options available
- Adjustable Power Bases
- Egyptian Cotton/Micro Fiber sheet sets \$45 any size.
- Cool Gel Pillows, Mattress Protectors & Frames

This is a great way to help raise money while at the same time providing high quality products at a substantial cost savings to our community. We appreciate your support and hope that you will help spread the word to neighbors, co-workers, families & friends.
